Institute

Students

Dear passionate teachers & professors, who are diligently teaching to the students of primary to higher secondary level, this product can not be perfectly caught just by reading it's features. Please draw your time for the demo of this product. Your honest efforts really needs the technology backbone!

LOCKED Tablet with LMS Integration

What is special for parents in this system?

The answer is - **Parental Lock & Unlock** feature. During valuable years of learning, we **lock** this tablet for other android applications like Whats app, Youtube, Instagram, Facebook, etc. Hence students can not install any other android application except **Vidya Upasna**. After end of learning, we will help you to **unlock**.
